Returns must be accompanied by a proper order number  
For our complete Returns policy or additional questions, please go online  
to our website's Help section.

## UPS PRE-PAID LABEL:

Use of the prepaid Return Service (RS) label will result in a low \$5.95 fee, deducted from the merchandise credit. You may wish to include a \$5.95 payment to avoid the gift giver from incurring this fee on their credit card.

### HOW TO SHIP MERCHANDISE BACK TO US:

We gladly accept returns within 30 days of merchandise purchased from our company (correct order number required) returned in its original condition. Original condition means unworn, unlaundered and unembellished/customized. Some exceptions are listed below. Please try on all footwear in a clean carpeted area to prevent scratches, scuffs or stains to the item. We will be unable to accept items not returned in their original condition.

\* To return goals or other large field items, please contact us prior to returning for alternate shipping address and return authorization.

- Important notes:**
- \* We cannot accept returns on customized, worn or laundered items
  - \* No returns on signed memorabilia, in order to protect standards of authenticity
  - \* refunds will only be issued to the original form of payment on the order
  - \* If you wish to receive a store credit in the form of a gift card instead of refunding the gift giver's credit card, please indicate so in the exchange portion of the form
  - \* items sold as a set or pair must be returned as complete sets or pairs (shoes, warm up suits, gloves, kits, etc.)

*if you do not have the original order #, please contact us prior to returning any merchandise so that we may assist you in discovering it so that your return can be processed properly.*
